STAR WARS IS THE GREATEST

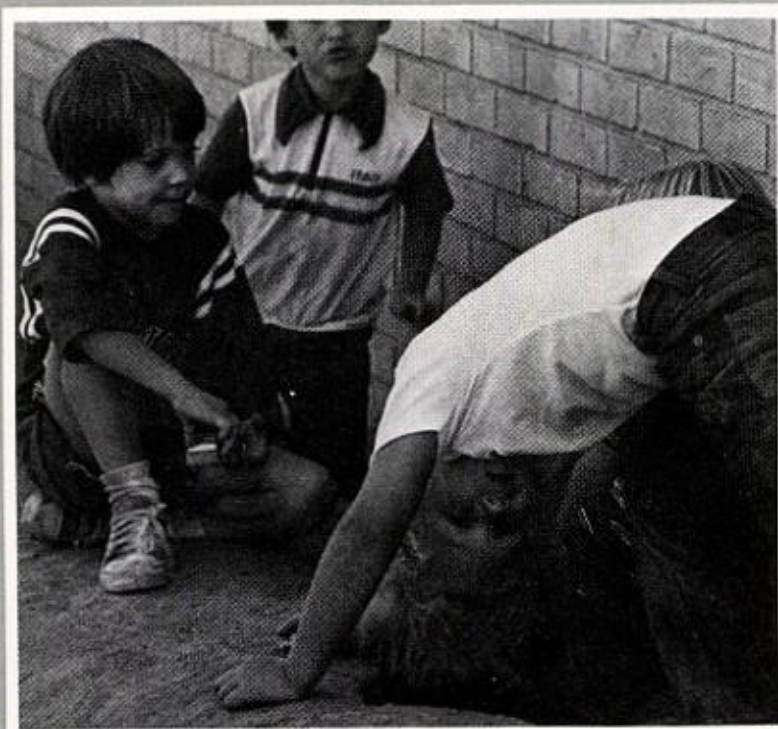

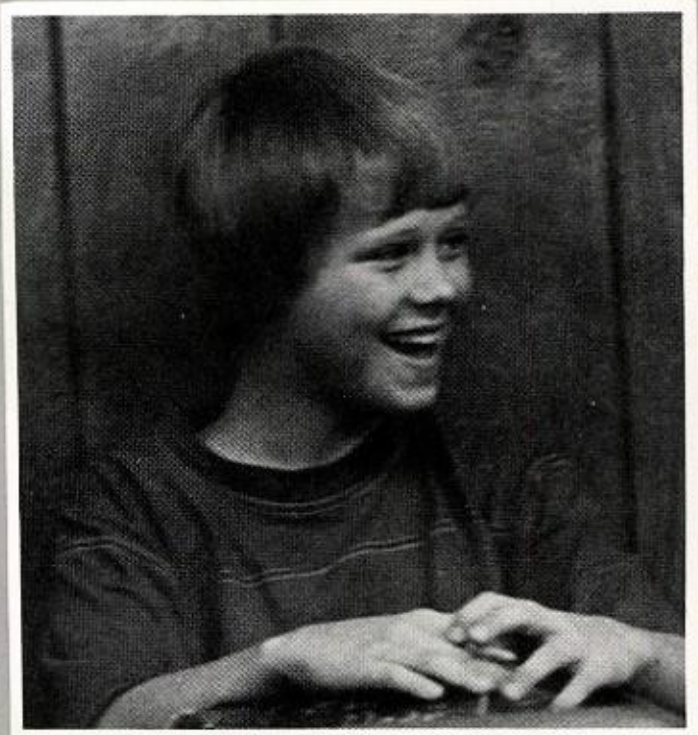

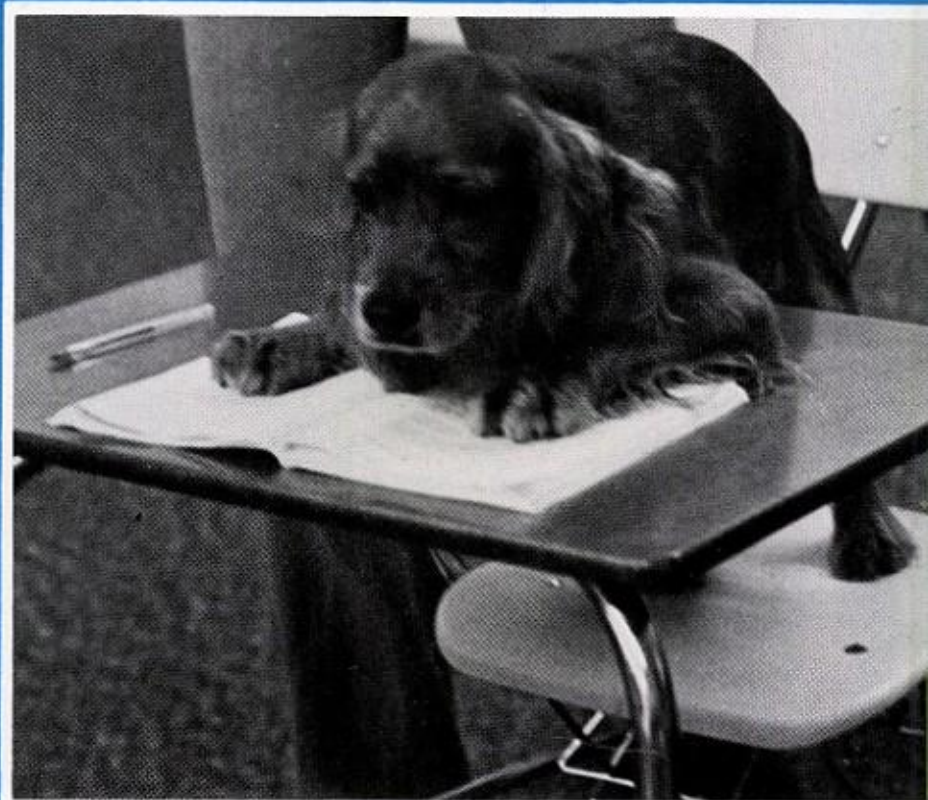

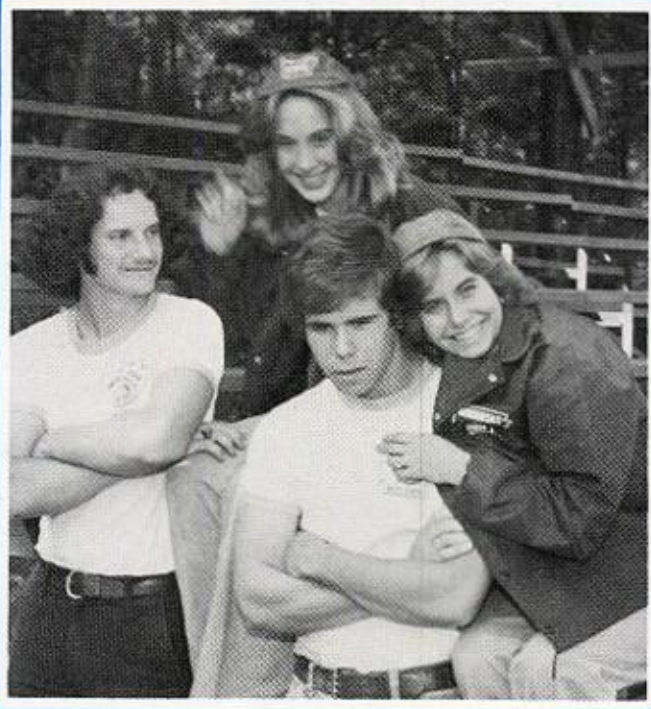

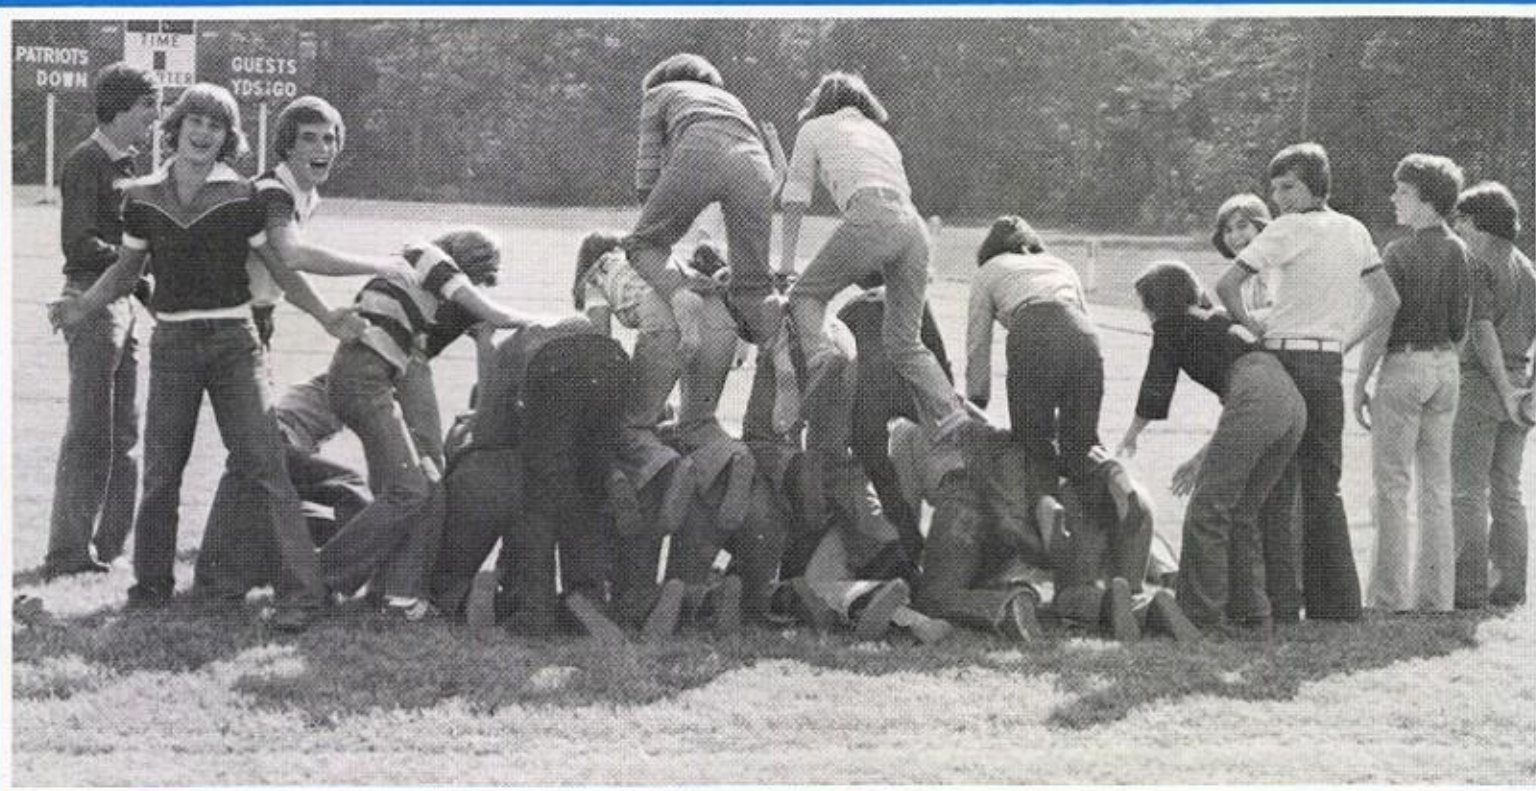

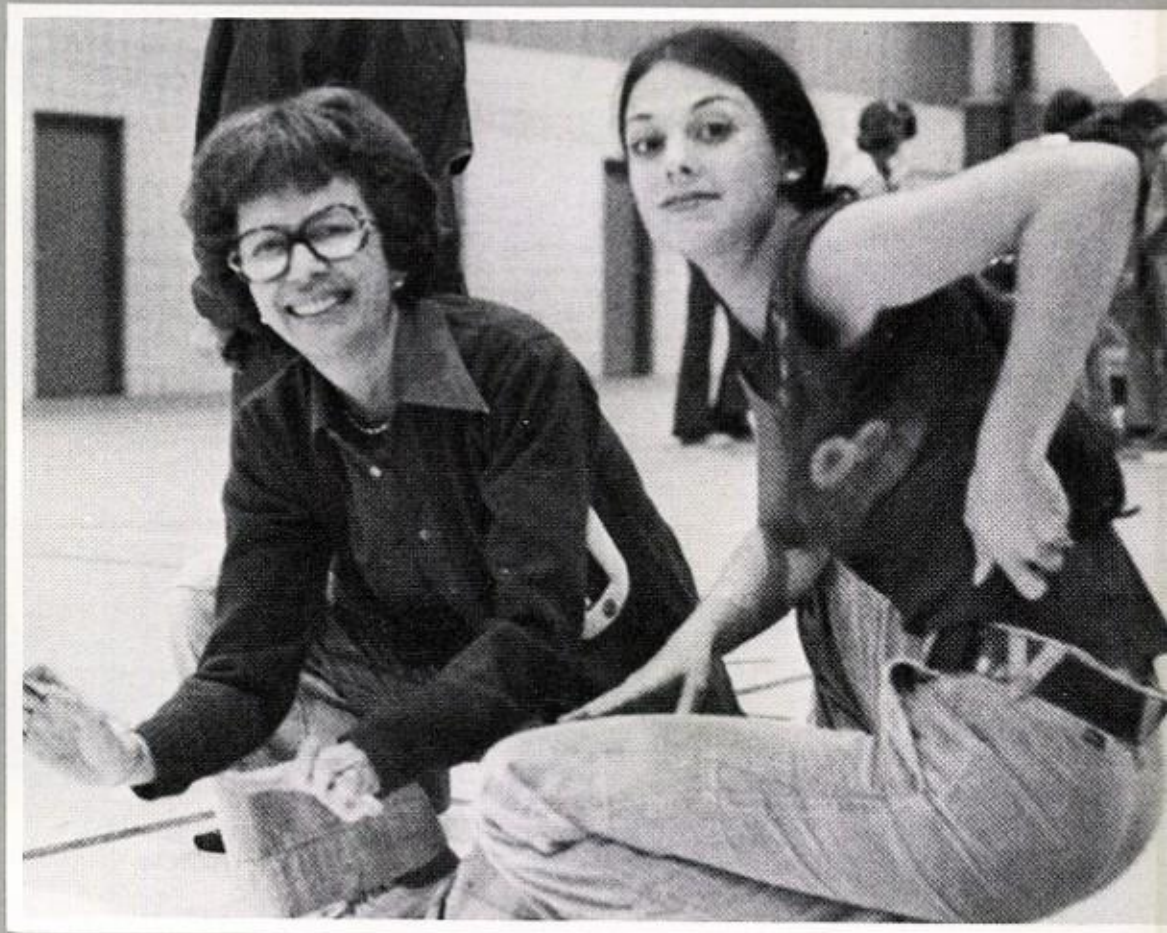

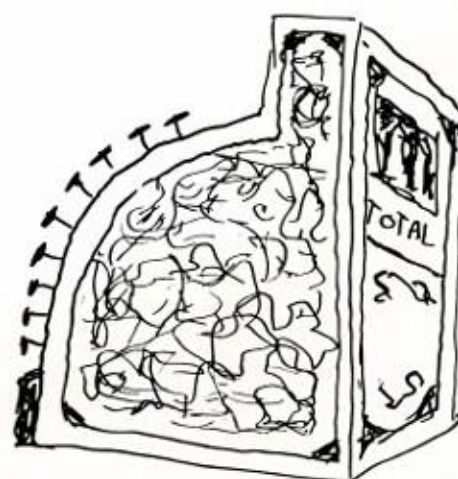

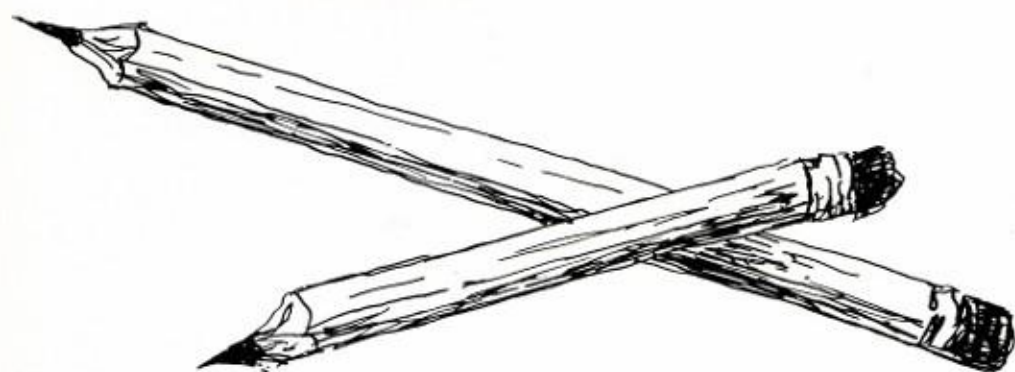

The 1978 Patriot Staff dedicates this annual to a person who has spent her time and efforts unselfishly in our behalf. The standards she has set for us and the principles she has laid down have become an important part of our lives. She has given us a firm foundation in the fundamentals of education and has done much to prepare us to take our places as leaders of tomorrow. Because of her devoted service to Jefferson, her high ideals and her loving concern for us, we dedicate the 1978 Patriot to Mrs. Marilyn Norton.

Football is often said to be the game of life, a game where success is measured by the won-lost record. The road to success is not easy because adversity may strike at any time. Adversity makes it easy for the weak to quit, but it also makes the strong stronger. This past season the Patriots were plagued with adversity; i.e., lack of depth, injuries, etc., but we never quit. We are now stronger in both body and spirit because we never gave up. "Winning isn't everything, but trying to win is."

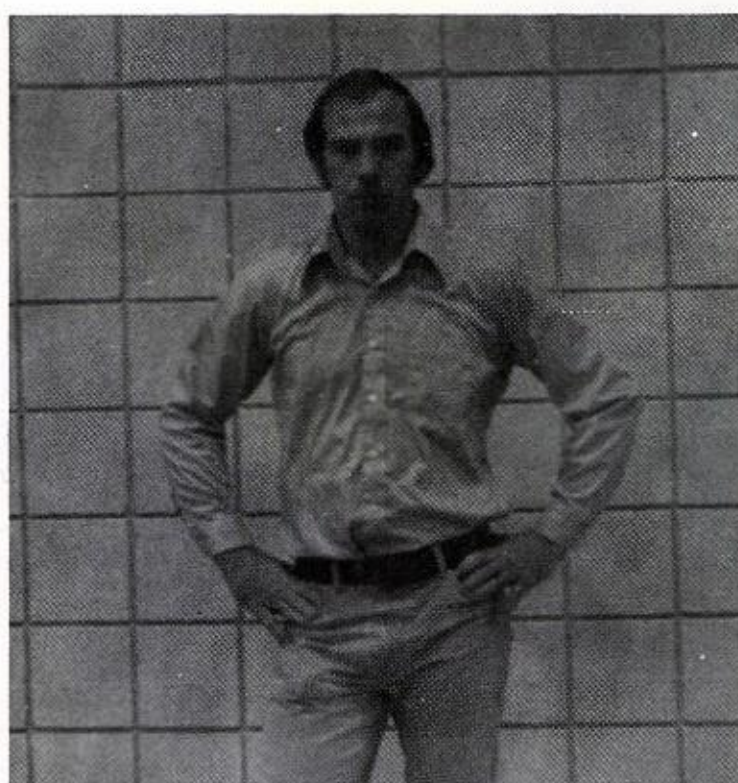

To our Seniors we say "thanks" for giving your best. To our underclassmen we say that the success of next season will be determined by how hard we work this spring.

STUDENT LIFE

Student Government

It is with great pleasure that I reflect back on this year. Serving as your Student Council President has really been a great experience. I have had the opportunity to work with and get to know many different people. The experience I have had will always be a cherished one.

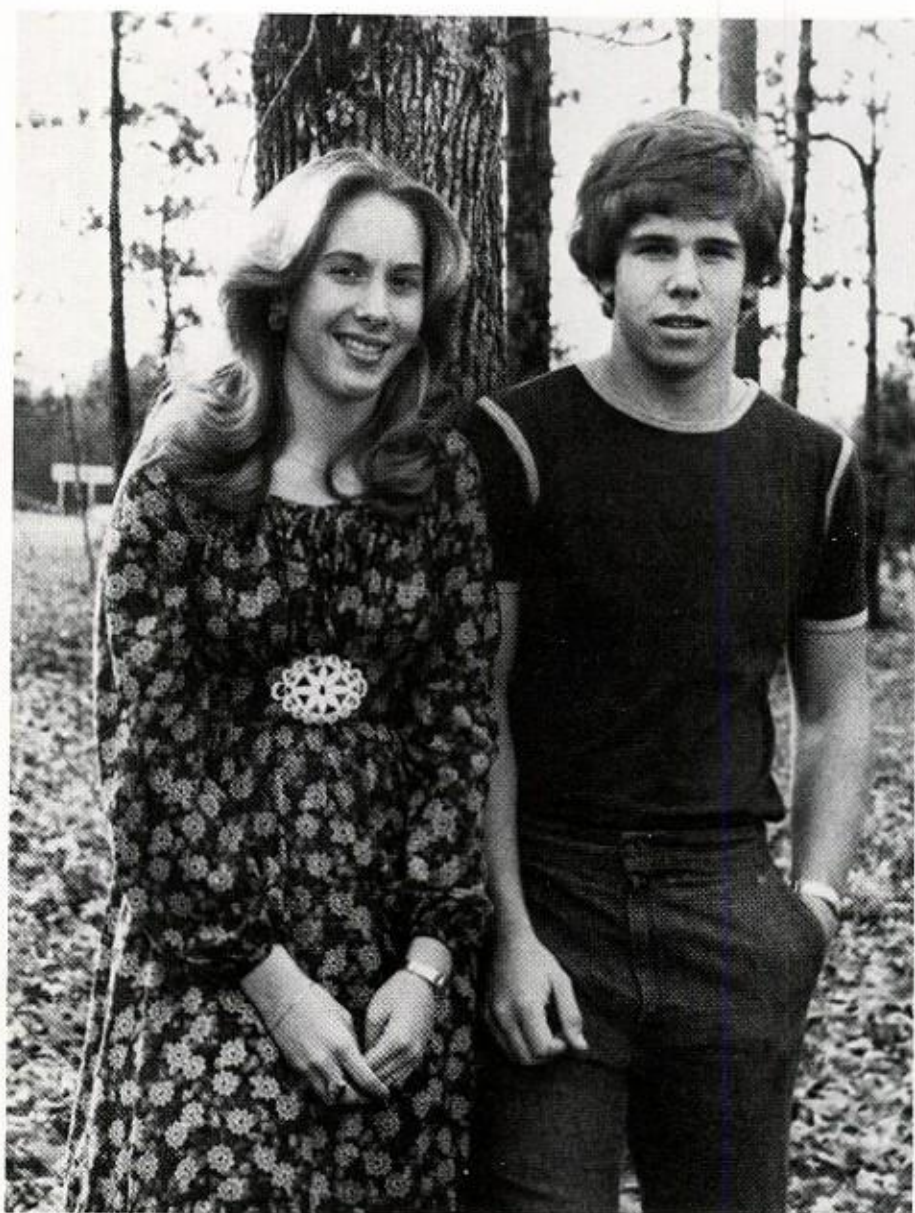

I would like to express sincere appreciation to all those who willingly supported the activities of this year's council. The great participation by everyone in Homecoming and Spirit Week helped to make the 1977-78 school year a memorable one.

I would like to give a special thanks to the council members for their hard work, and to the faculty sponsors for their continuous support and help.

Thank you,

Bobby Jordan

Homecoming 1977

On October 28, 1977, Jefferson Preparatory had its homecoming. All that week the students and teachers generated school spirit by participating in Pop the Rebels Day, Top the Rebels Day, Clash the Rebels Day, and Back the Patriots Day.

The homecoming assembly was one with a "Star Wars" theme. P2T0 and J7P7 took us on a tour of the planet Jefferson. We were able to see robots playing football, Martians dancing, the Cantina band performing along with other acts, and finally, the battle between the evil Rebel Empire, led by Barf Raider, and the Jefferson Patriots, led by the Superior Star Chief. Naturally, the Patriots were victorious.

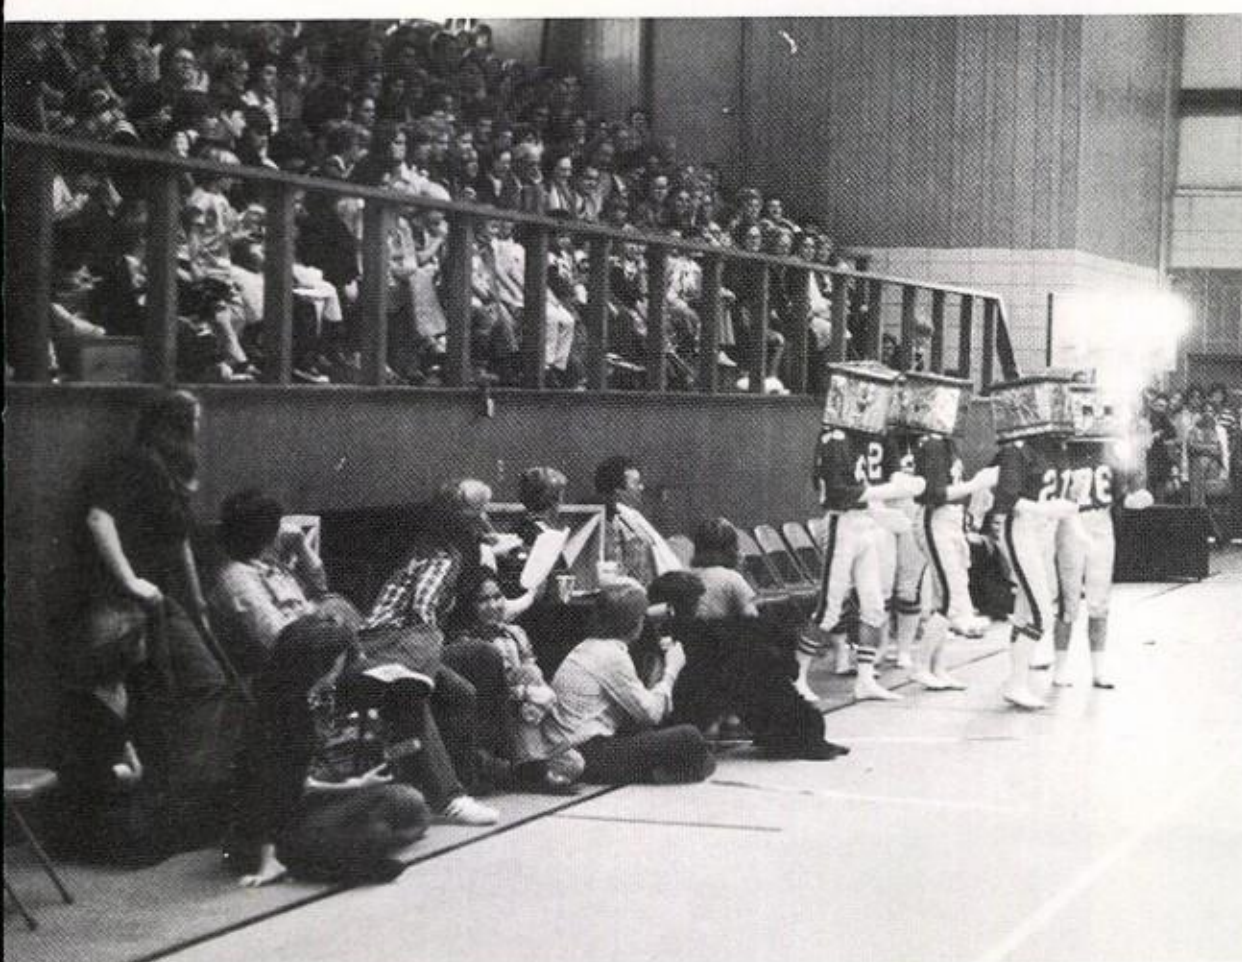

One of the day's outstanding events was the crowning of Jefferson's 1977 Homecoming Queen, Kathryn Norris.

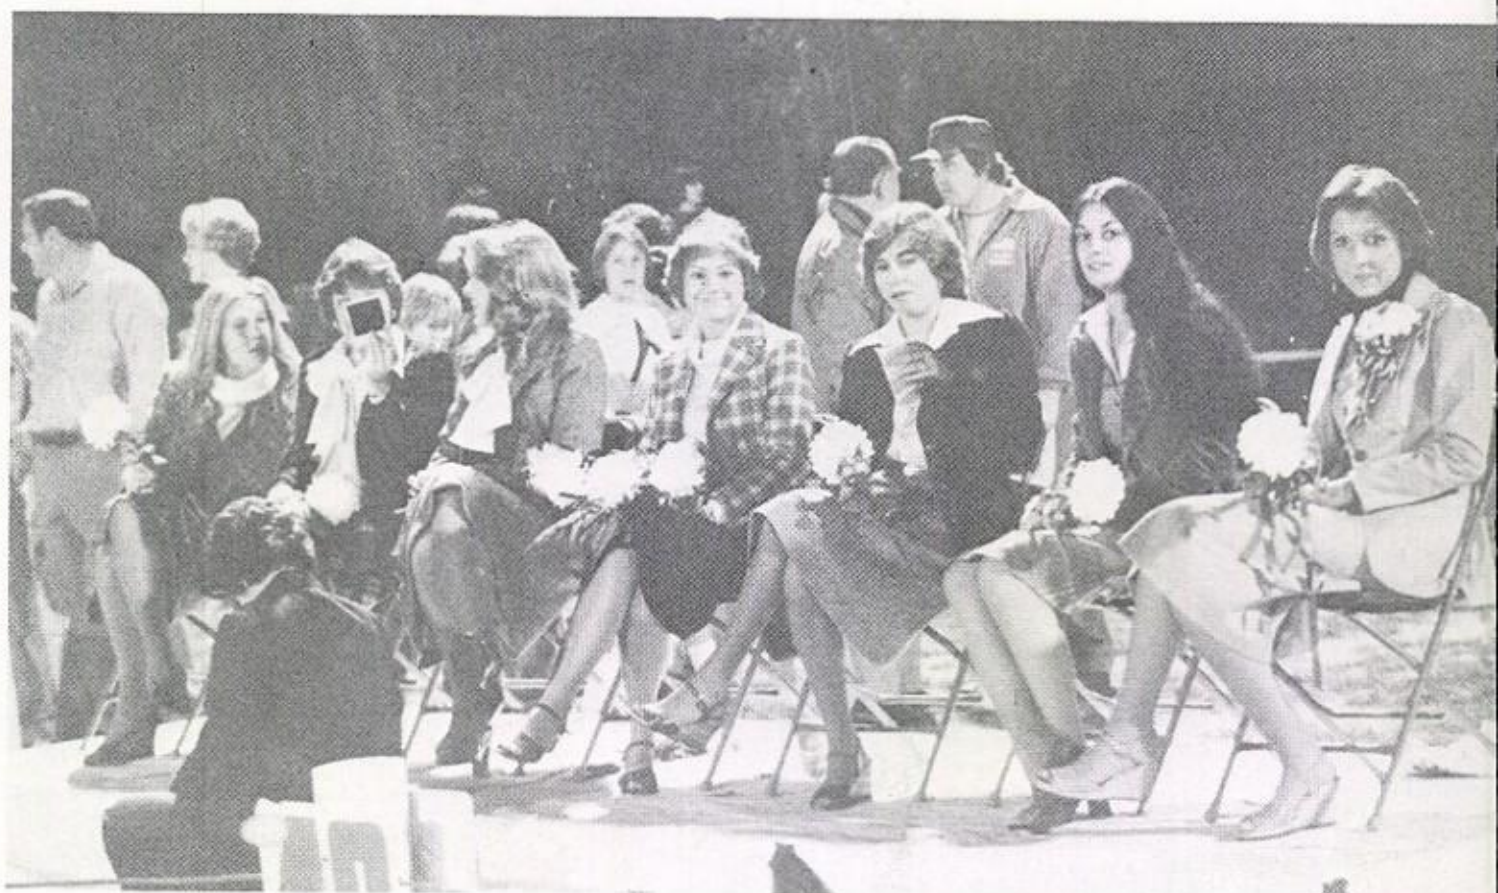

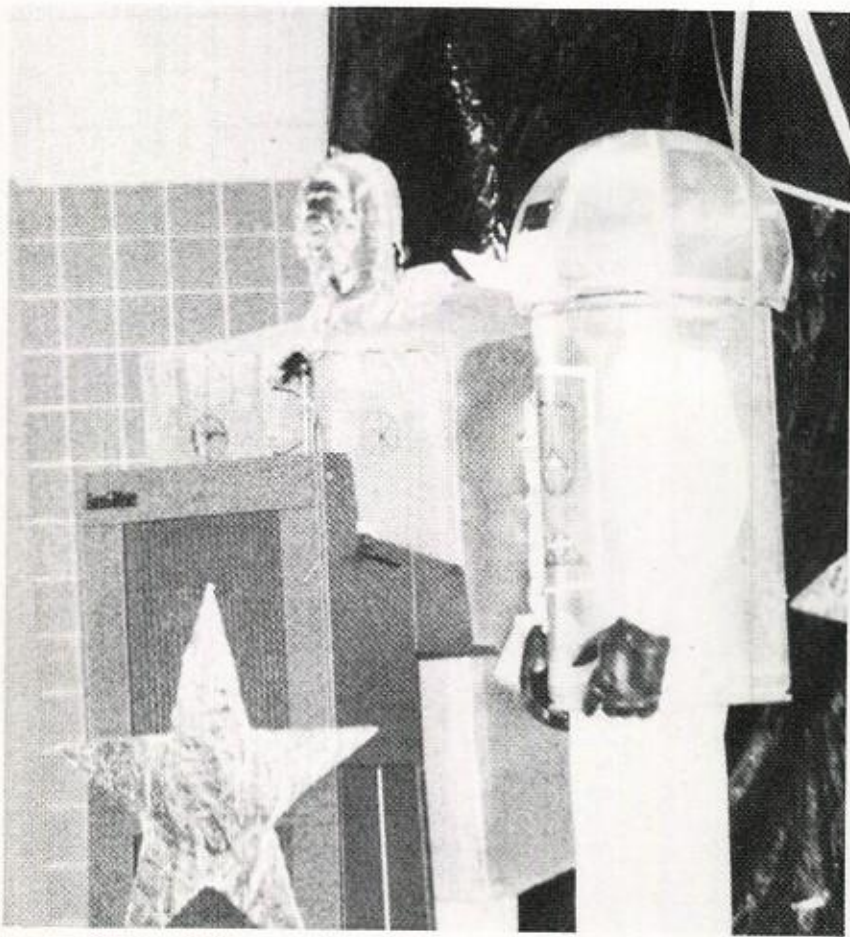

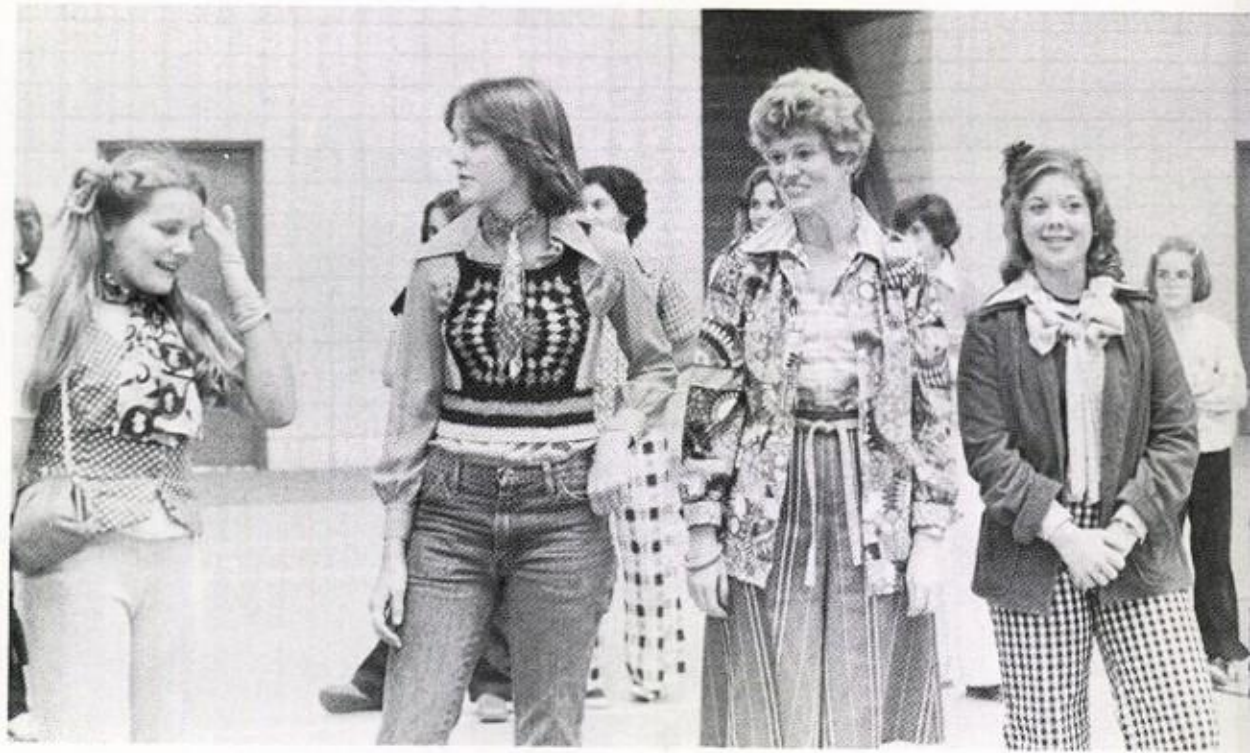

The Patriots achieved a victory over the England Rebels in the football game that night. The score was Jefferson 22, England 14.

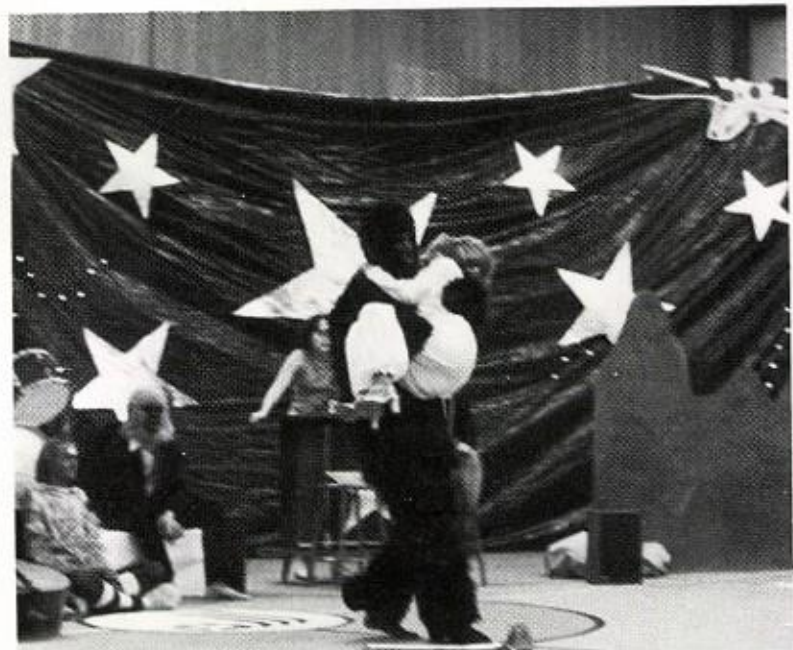

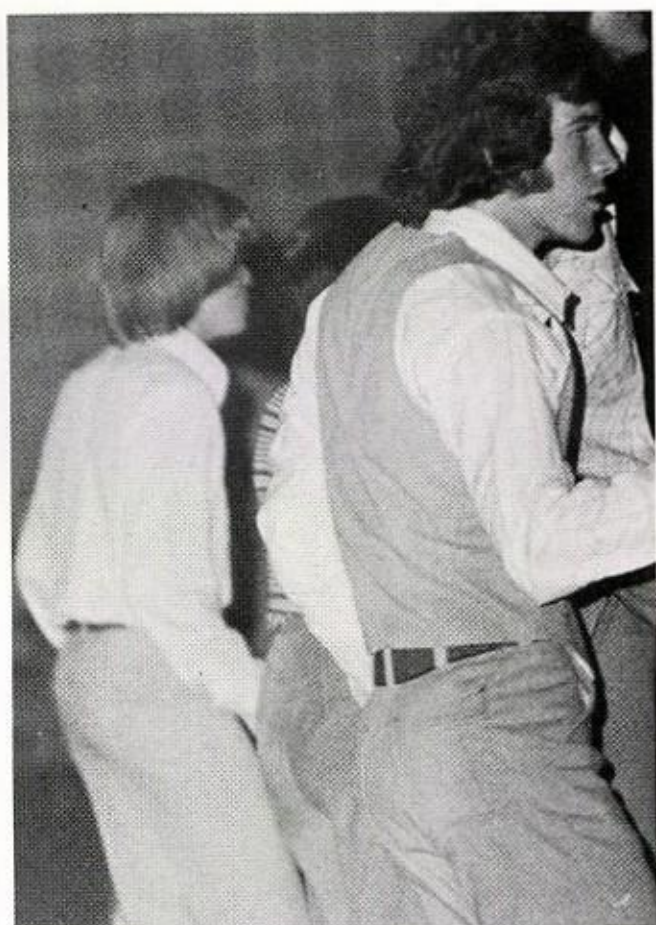

After the football game, Gibraltar played for the homecoming dance.

Truly, this was one of Jefferson's most memorable homecomings in its history.

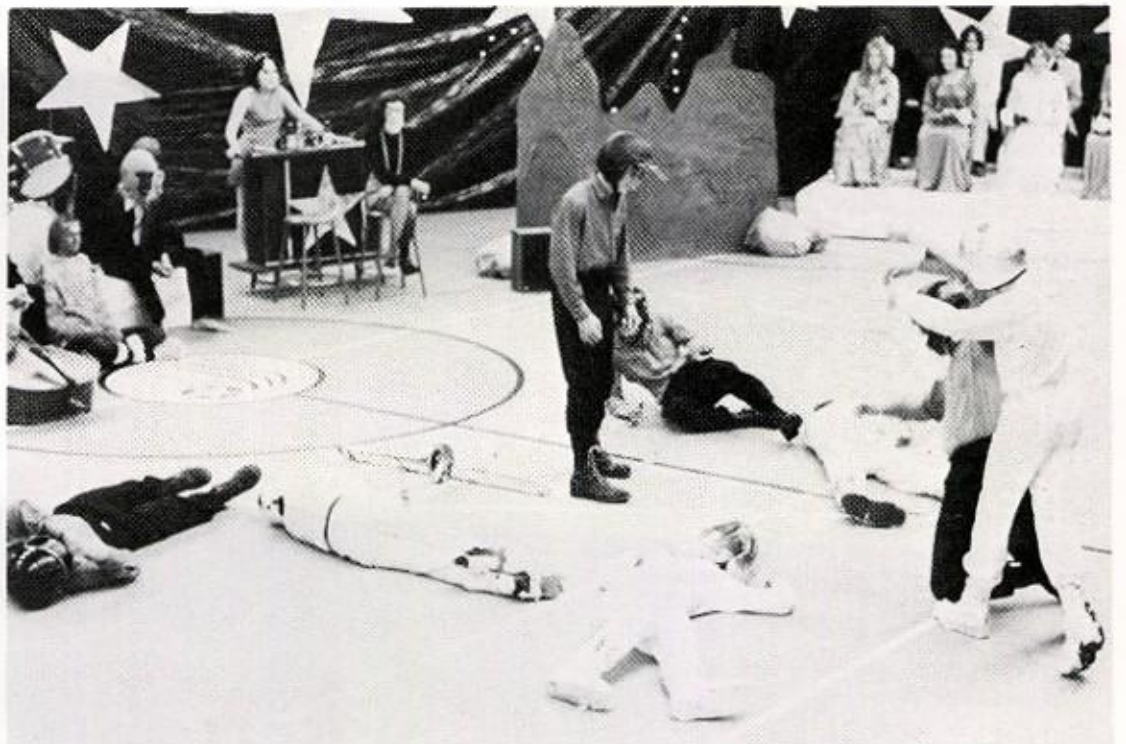

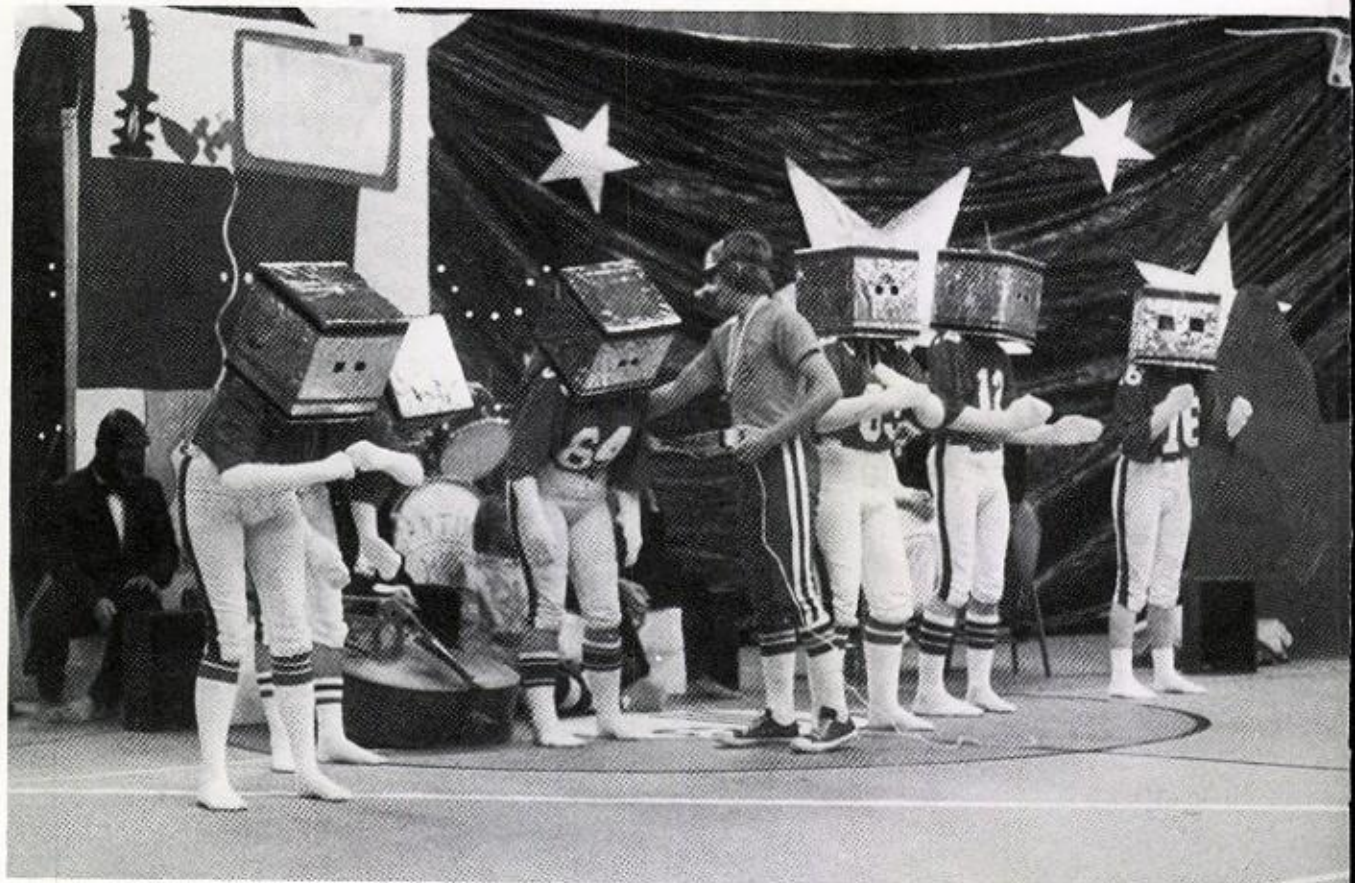

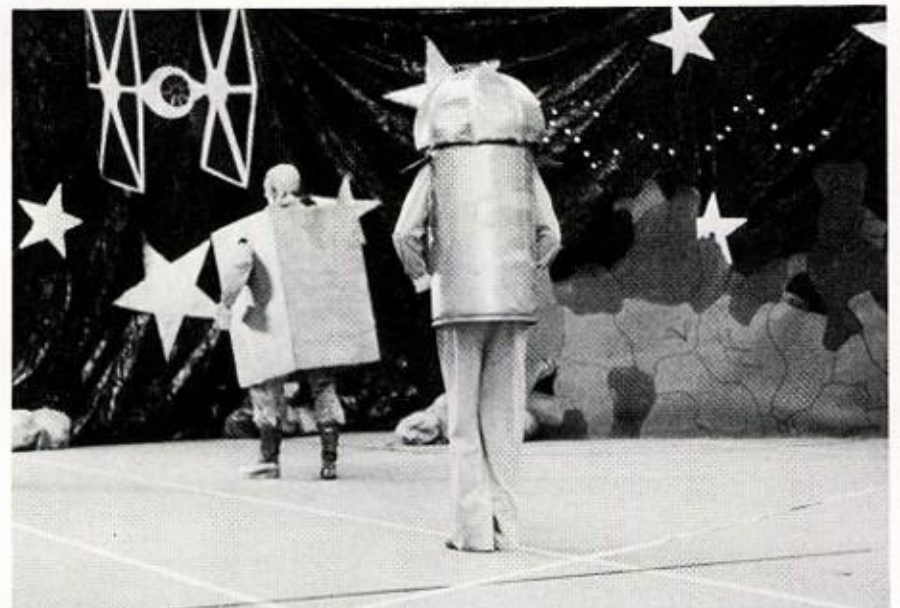

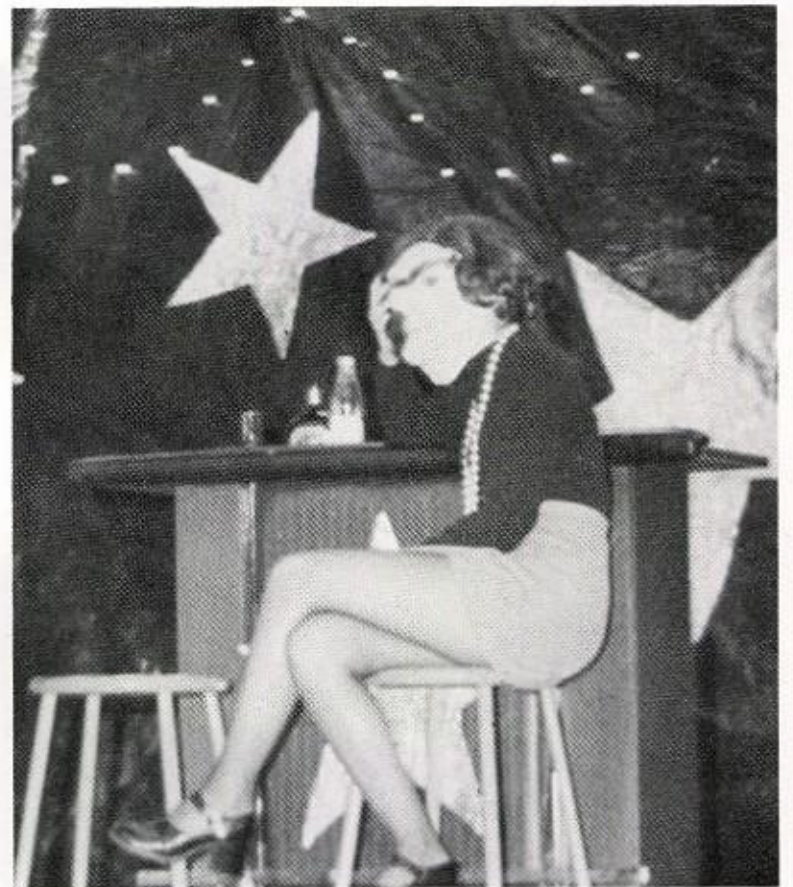

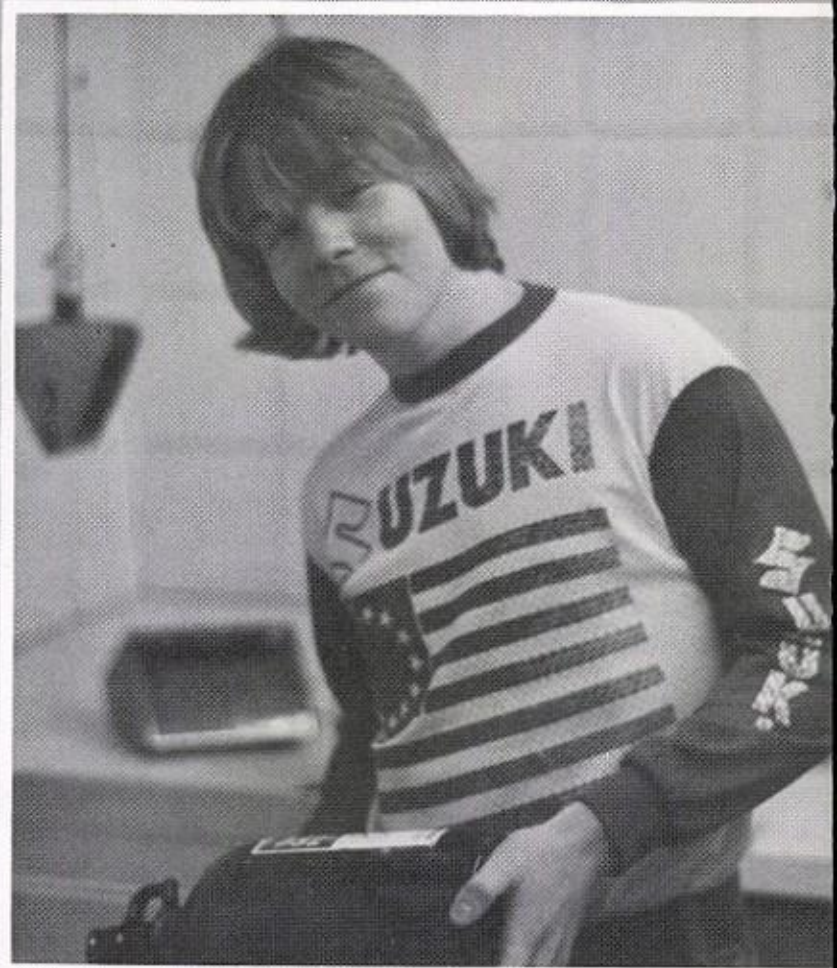

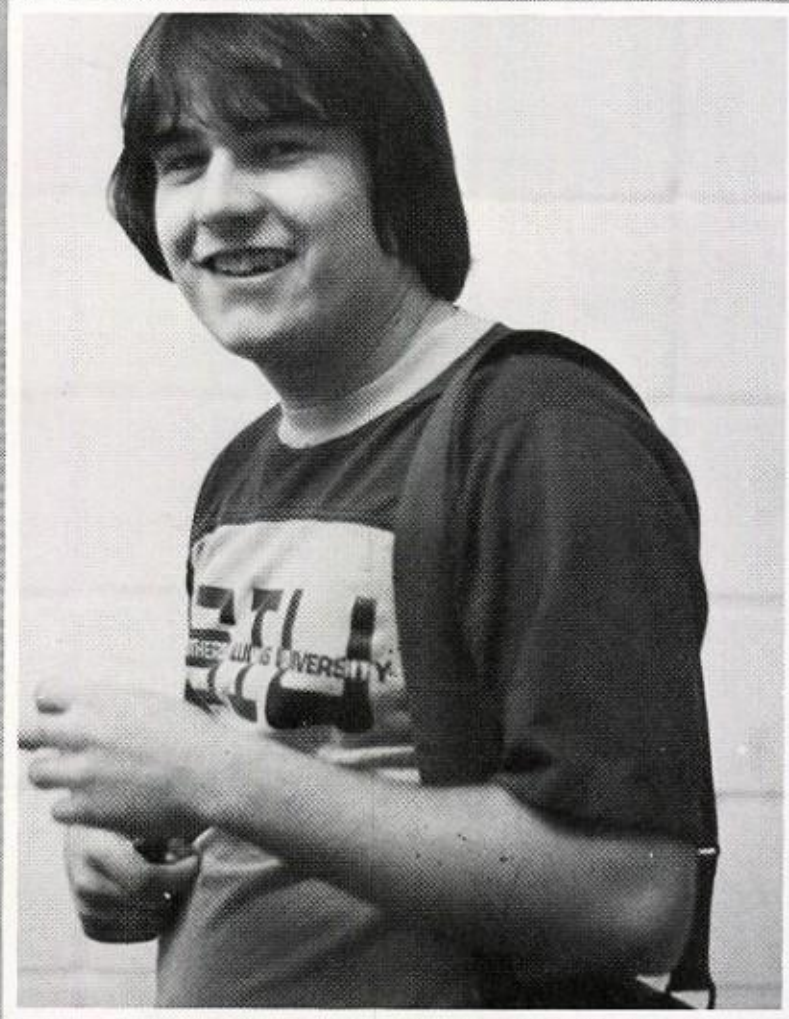

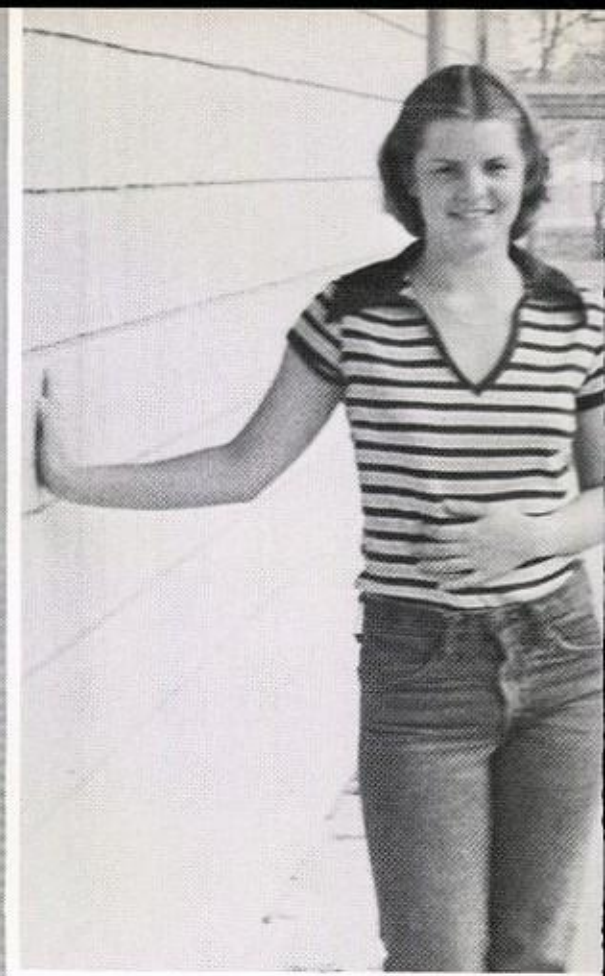

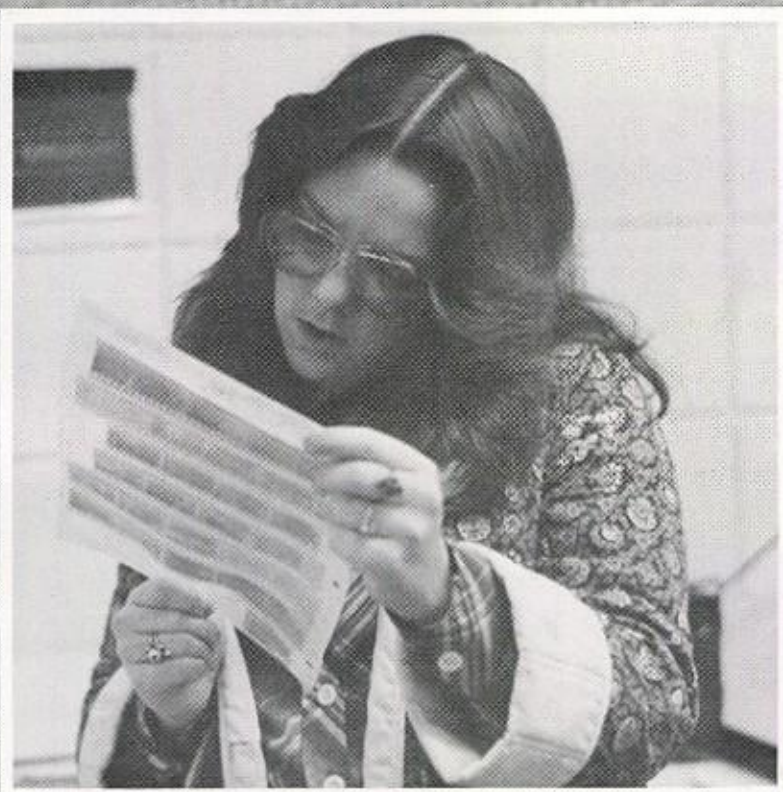

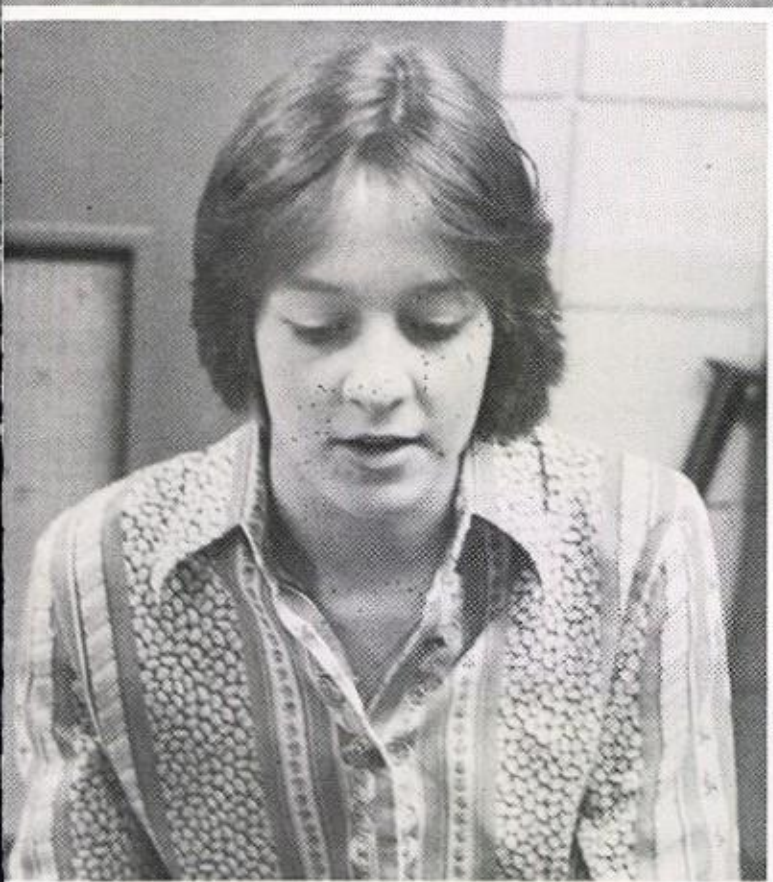

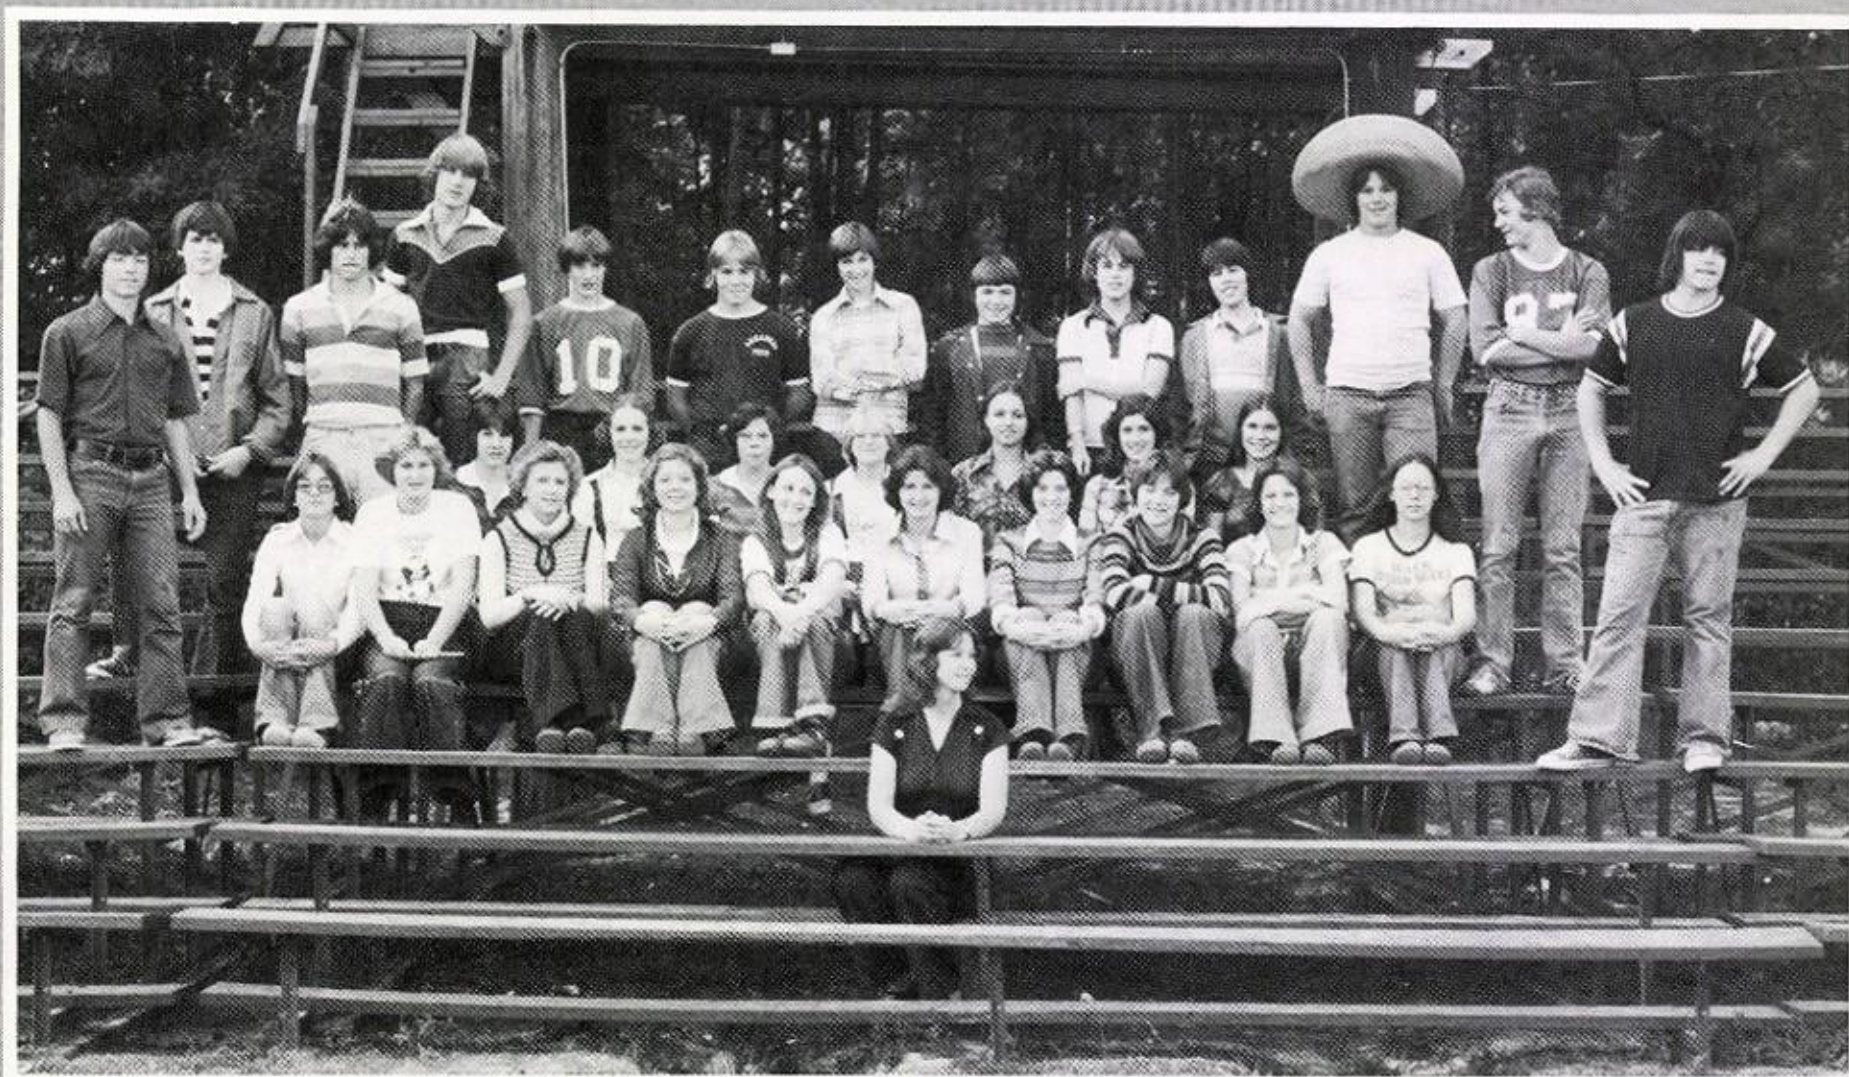

Annual Staff

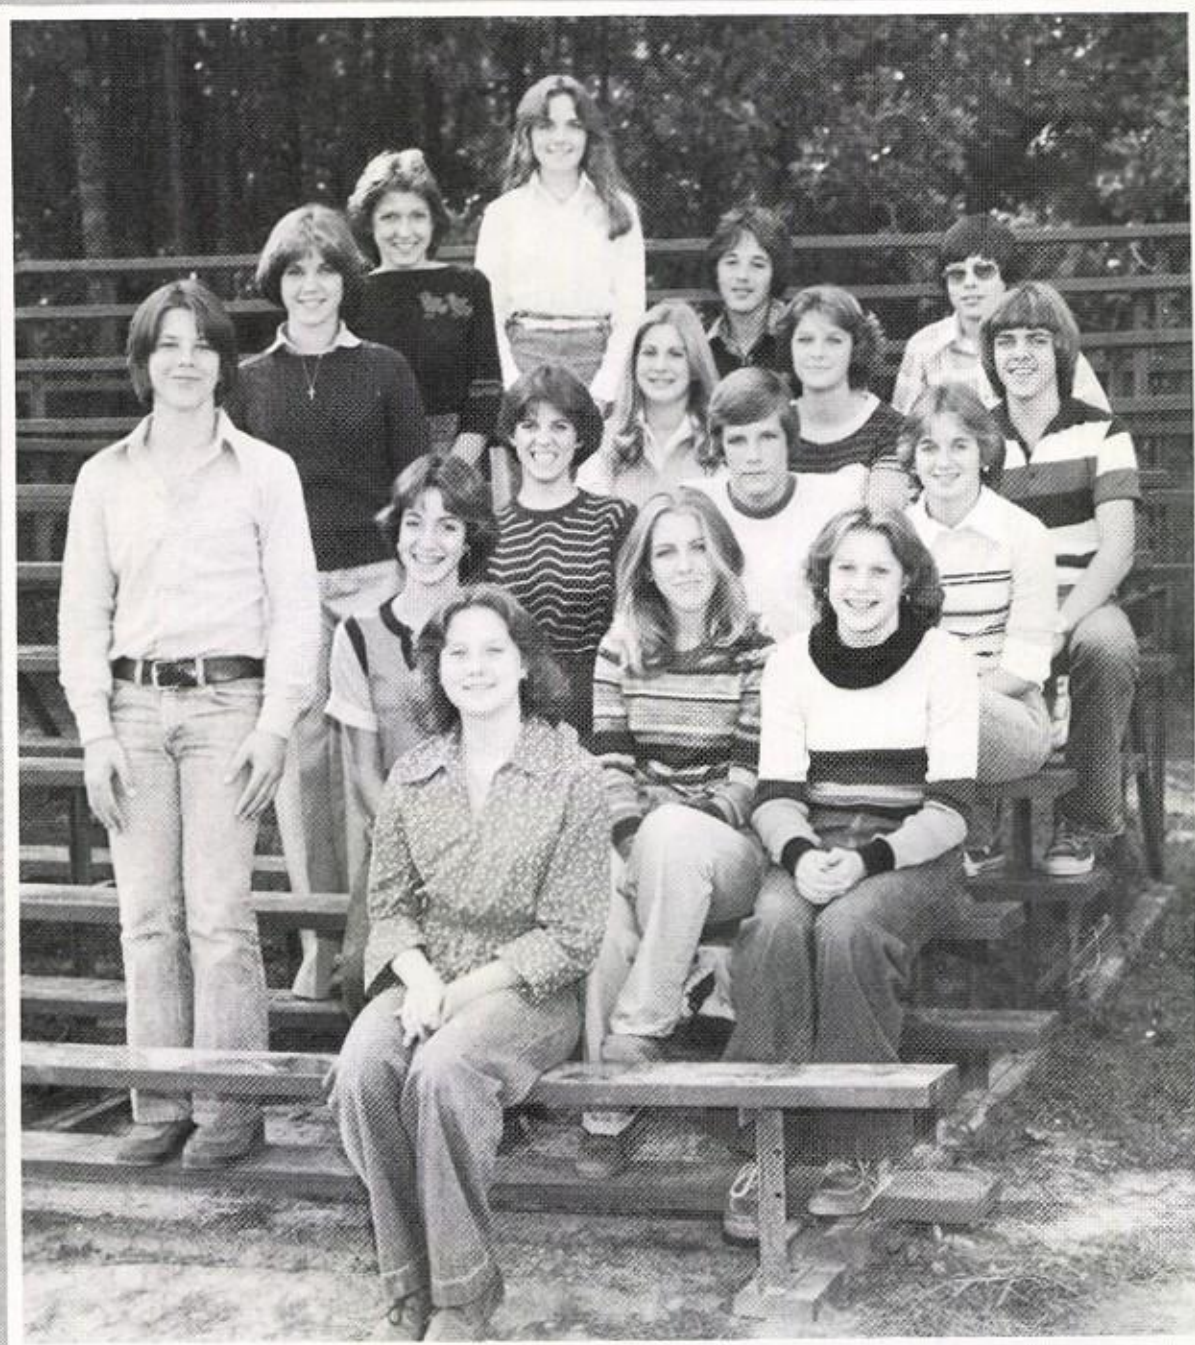

Spanish Club

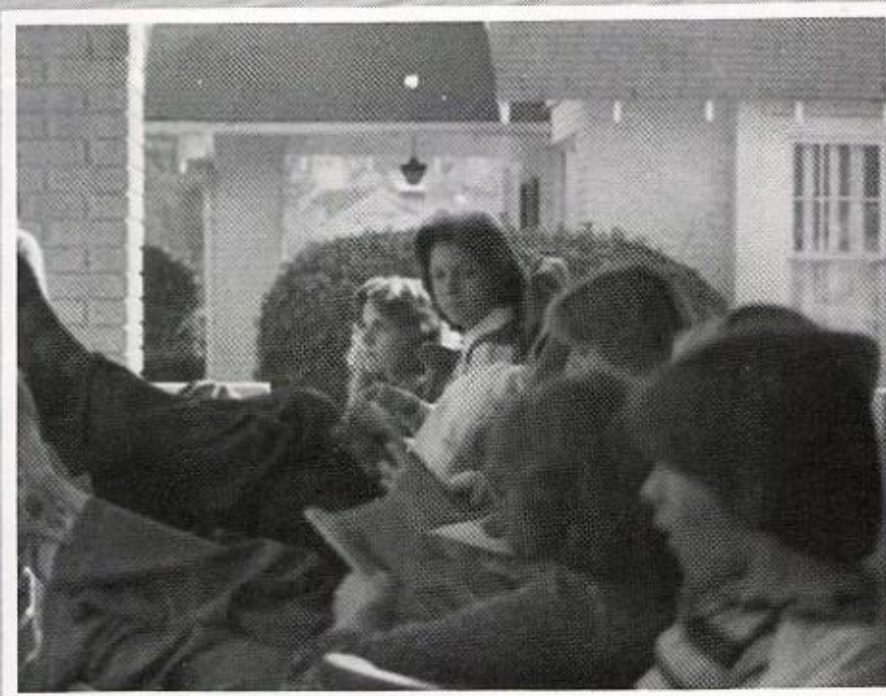

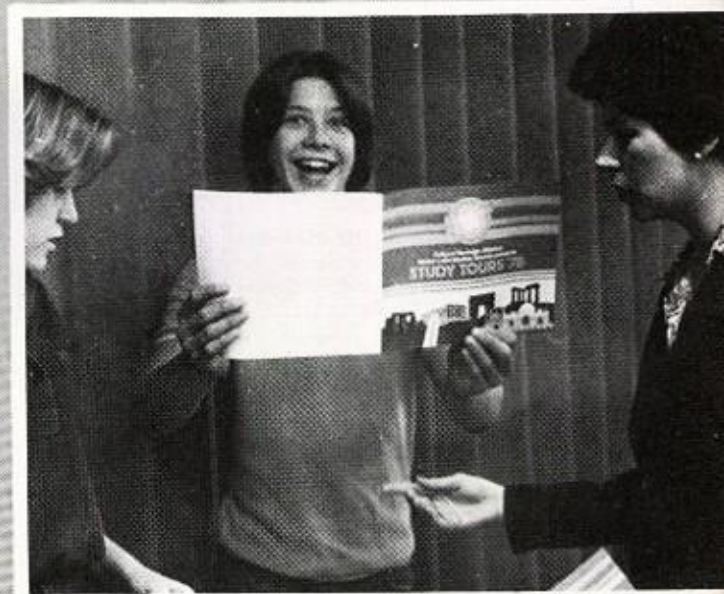

This was the first year for an organized Spanish Club at Jefferson. The money-making projects got off to a slow start with a car wash and a bike-a-thon, but really got moving with the Taco Supper. To create interest within each class, there was an article contest. The class which brought the most articles about Spanish speaking countries received a fiesta at the end of the marking period.

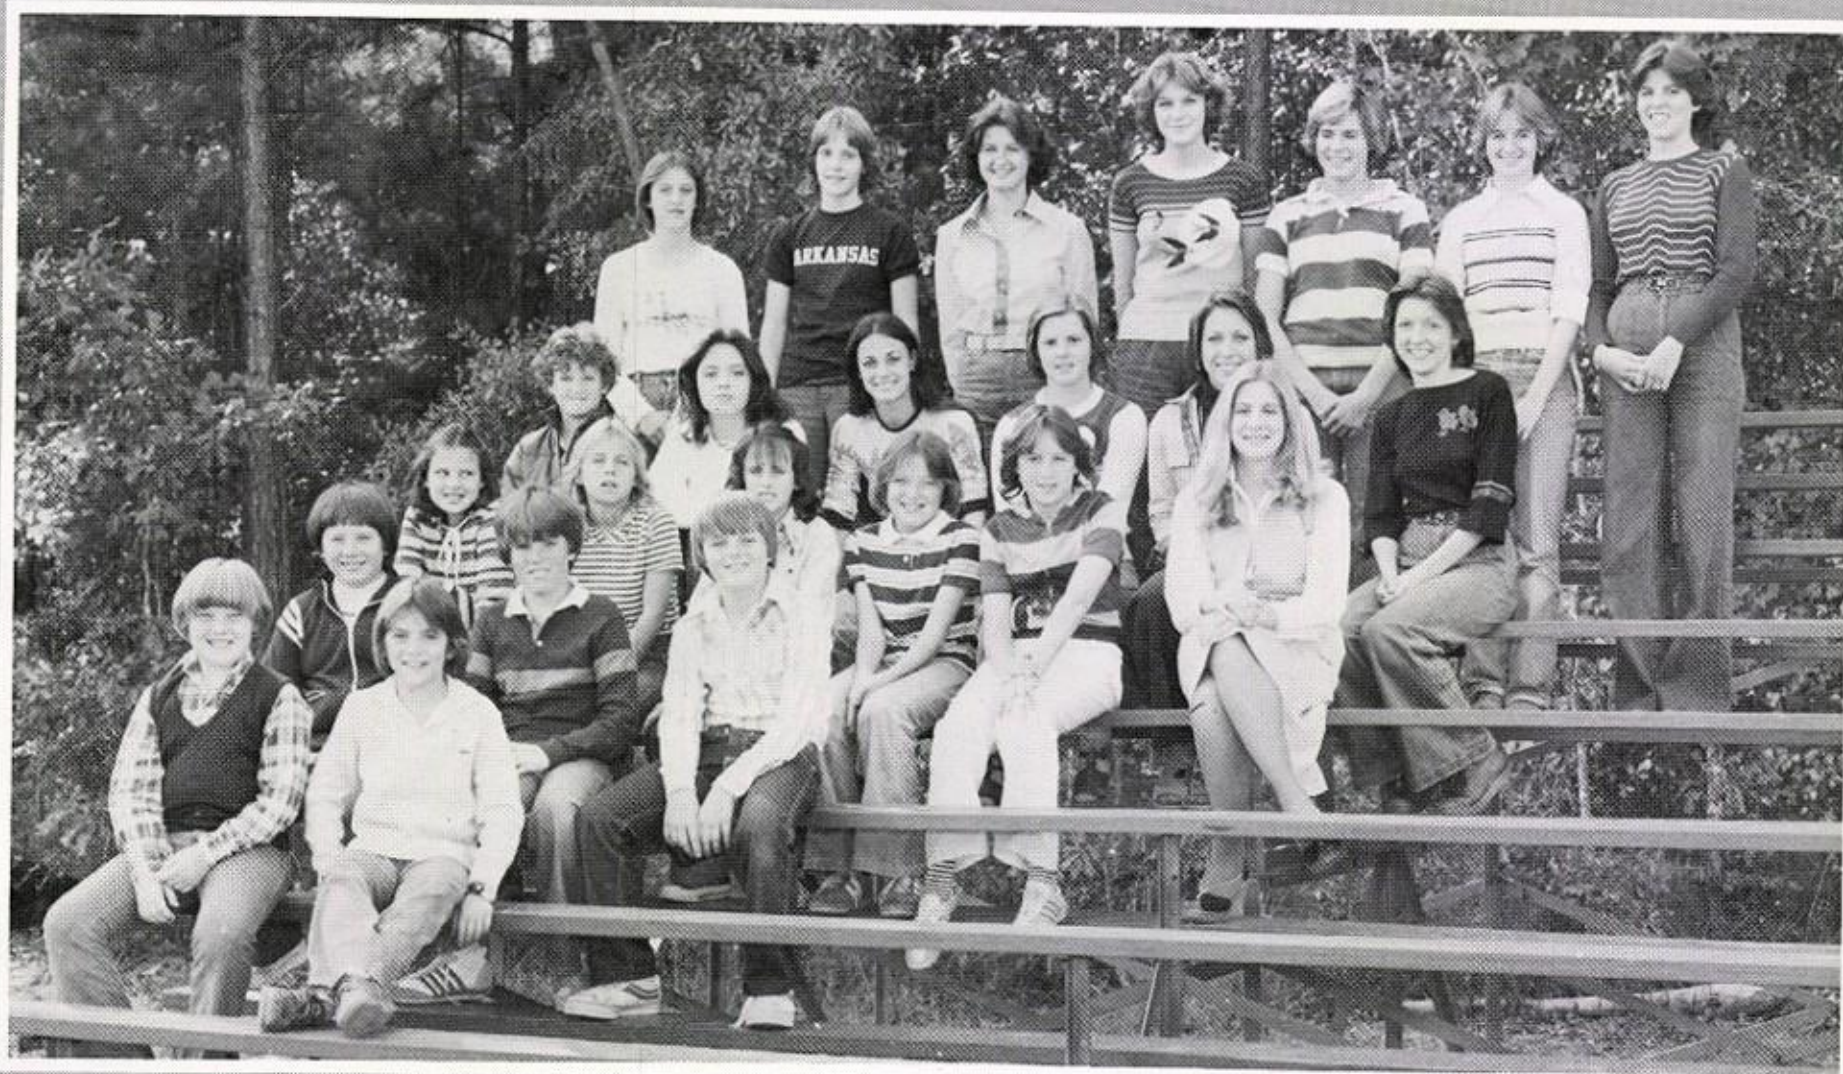

French Club

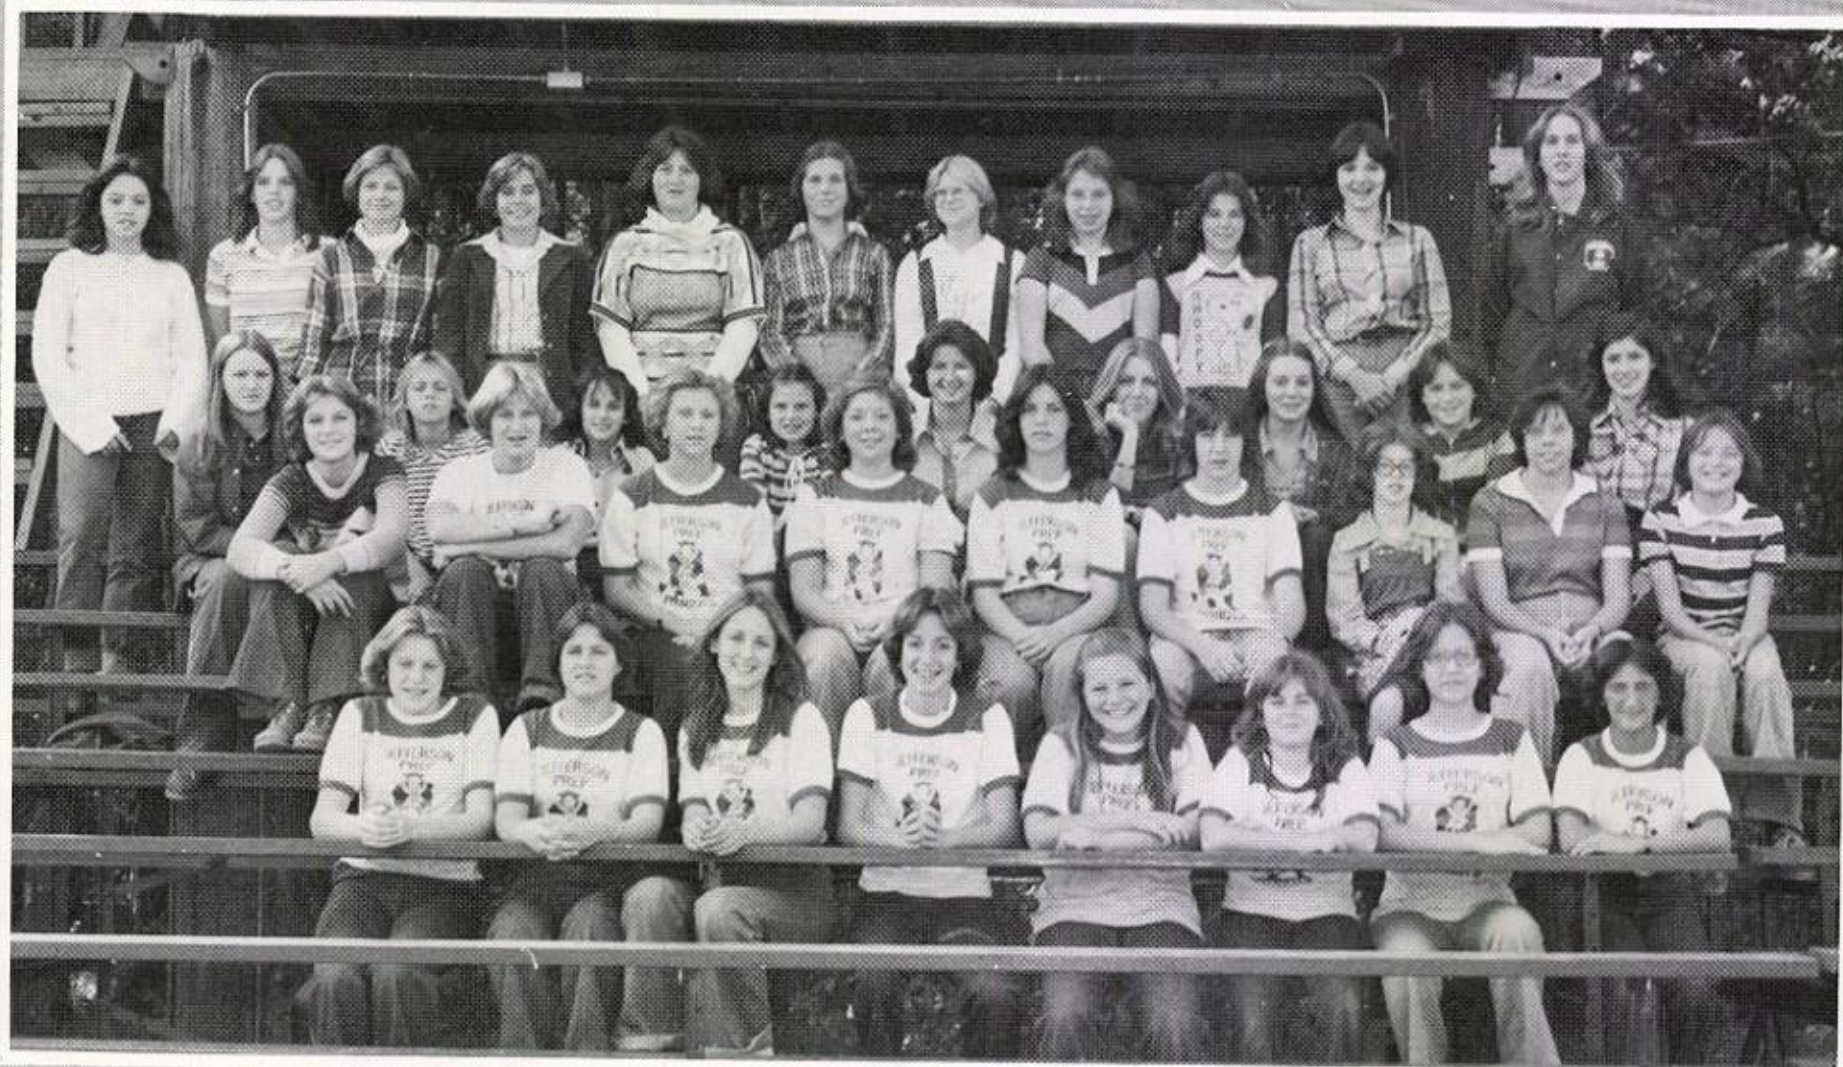

The French Club has really been active during the school year. In October, it started printing a school newspaper entitled *Beau Temps*, which in French means "Good Times." The French Club traveled to Paris in March, and spent 9 days in France. In order to raise money, the club had a rock-a-thon and several cakewalks, as well as the newspaper.

Art Club

Pep Club

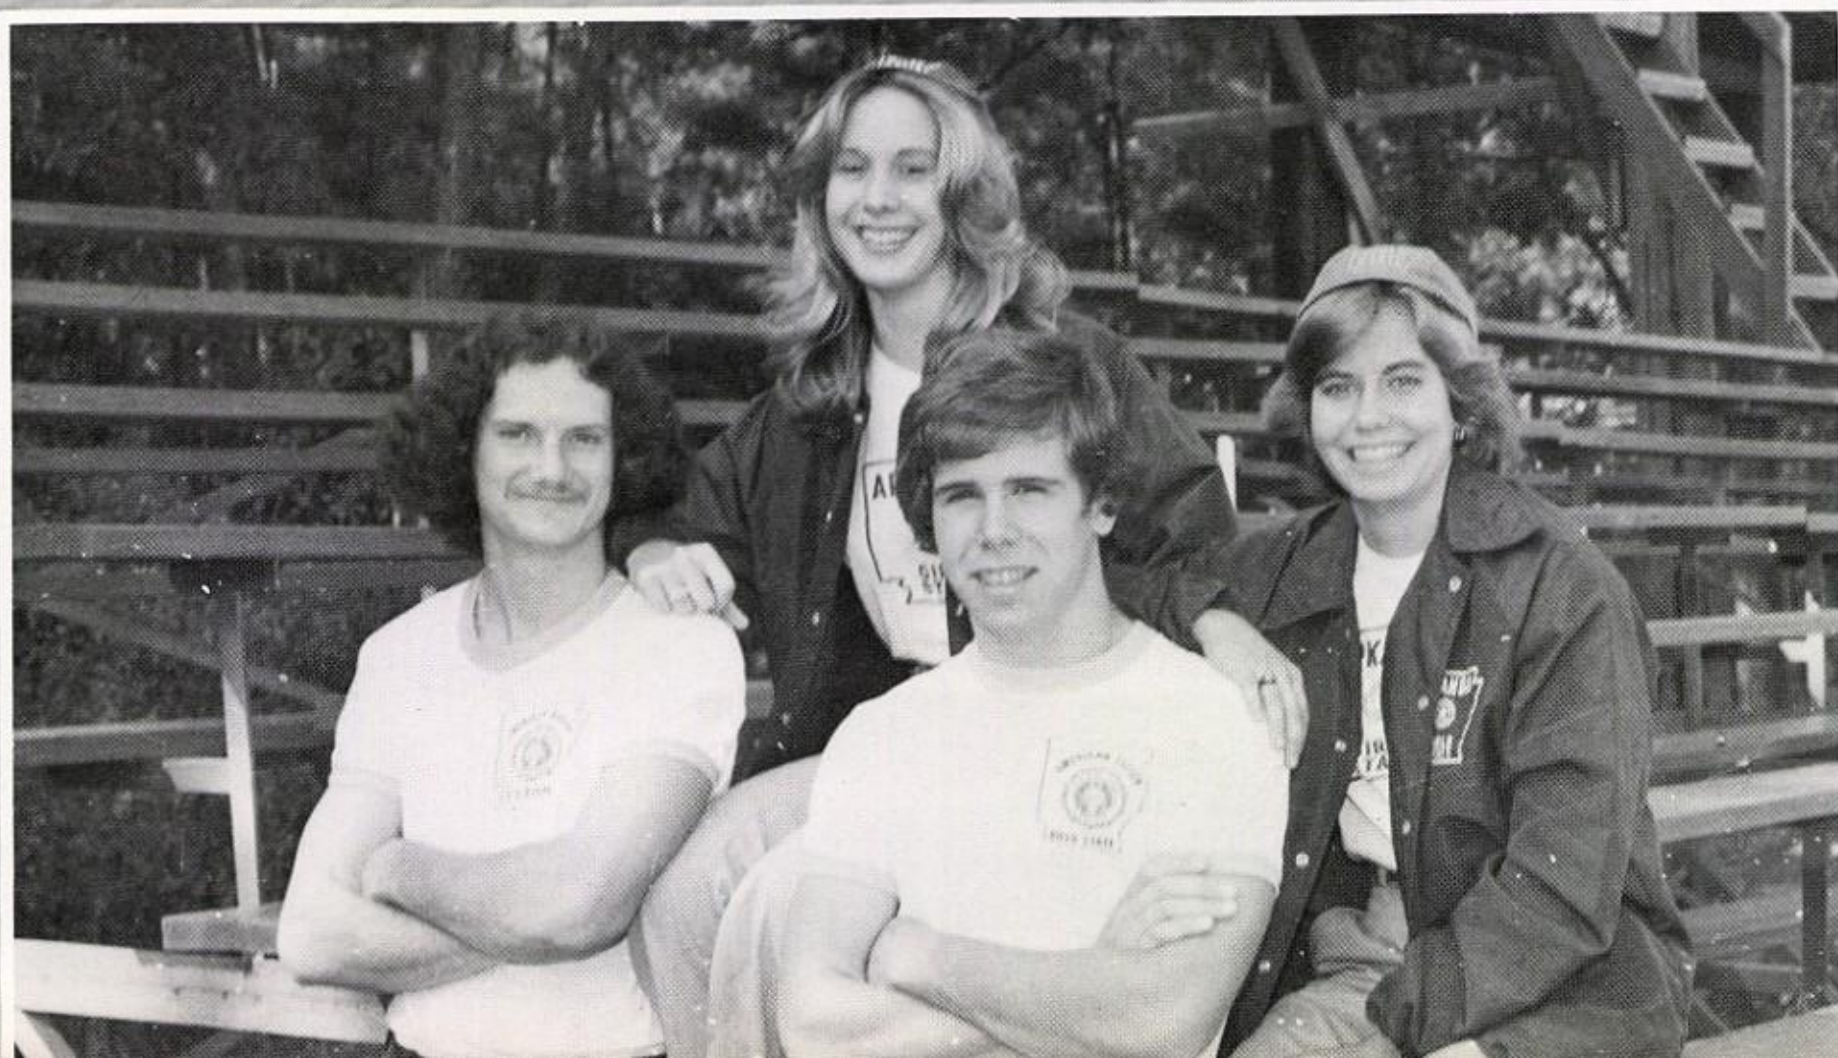

F.C.A.

The Fellowship of Christian Athletes was started this year at Jefferson for both male and female athletes. The officers are Allyson White, Captain; Woody Brown, Co-Captain; Kim Quinn, Secretary and Barrett Albright, Treasurer.

Girls State And Boys State

The 1977 representatives to Girls' State and Boys' State were Sheri Glover, Allyson White, Craig Bond and Scott Hoover. Jefferson is especially proud of Allyson White who was elected Governor of Girls' State.

LOVE AND KISSES TO OUR VERY
SPECIAL SENIOR. WE LOVE YOU
MOM AND DAD

WE'RE PROUD OF YOU, LES.
LOVE,
**MOTHER, DAD AND
SCOTT**

WE'RE PROUD OF YOU, MYRA.
**MOTHER, DARCY, AND
PERRY**

OUR SON, MARK

So let him live,
love work, love play,
Love all that life can give;
and when he grows too weary to feel joy,
Leave life, with laughter,
to some other boy.

LOVE,
MOM, DAD, AND JEFF

Bobby,

We are so proud of you. Thank you for bringing so much joy into our lives. You've provided us with memories we will always cherish. May the future bring you much success and happiness.

We love you dearly,

MOM AND DAD

YOU ARE EVERYTHING WE WANTED,
EVERYTHING WE EXPECTED,
AND YOU MEAN EVERYTHING TO US.

WE LOVE YOU,
MOTHER,
DADDY,
BRYAN, RUSS,
AND SARAH

WE ARE PROUD OF YOU, KATHRYN.

CONGRATULATIONS!

LOVE,

MOTHER AND DADDY

LEE,

You have been a source of special joy and brought much happiness into our lives. We are so very proud of you and know that your future will be a success.

We love you,

DADDY AND MOTHER

CONGRATULATIONS, CRAIG

WE ARE PROUD OF YOU!

LOVE,

**MOTHER, DADDY, AND
KYLE**

To SUSIE,

Much love and congratulations on this very special day. We have all looked forward to this day with excitement for you. Thank you for creating so many memories for us and for leaving them engraved in our hearts. We will always be behind you in whatever you endeavor. Thank you for just being 'you.'

**LOVE FROM MOTHER,
DADDY, AND EDDIE III**

CONGRATULATIONS, SARAH!

As you stand on the threshold of your adult life, may you always have as much joy and happiness as you have given us. Keep your goals set high and never waver in your faith in God.

All our love,

**MOM AND DAD
MIKE, DICK, KEITH**

A daughter means fond memories
of a little girl at play.
And all the carefree joy
she brought to every passing day ...
Most daughters are loved
because they are dear,
Because they grow sweeter
and dearer each year ...
But though you are loved
for these same reasons, too,
You're loved most of all
just because you are you.

We love you,

MOM AND DAD

CONGRATULATIONS, KELLIE!

Press on! Nothing in the world can take the place of persistence. Talent will not; nothing is more common than the unsuccessful man with talent. Genius will not; the unrewarded genius is almost a proverb. Education will not; the world is full of educated derelicts. Persistence and determination alone are omnipotent. Even if you are on the right track, you'll get run over if you just stand there.

Love,

MOTHER, DADDY, BARRETT, TAY,
TASHA, AND SAIGE

Mother & Daddy,
Your love,
patience, and kindness
have been my guidance
throughout the years.
Thanks for everything!

Love,
Kathryn

Dear Mom and Dad,
It is hard for
me to show my gratitude
for all you have done
to set me on my own way.
I plan on showing it more
deeply in the future.
Thanks for all you
have done for me!

Forever Yours,
Lee

Dear Mom & Dad
I thank you
for the love, care &
understanding during
the years at Jefferson.
I've enjoyed it very
much. I thank again

Love Ya
Always
Les

Dear Mom and Dad,
I just want to
thank you for all
the love, guidance
and understanding
you have given me.
You both have taught
me to appreciate the
better things in life.
I will always be
proud of you and
I hope that you
will always be
proud of me.

I Love You Both,
Yammy

Far away there in the sunshine are my
highest aspirations.
I may not reach them,
But I can look and see their beauty,
Believe in them, and try to follow
Where they lead.

Louisa May Alcott

I love you for teaching me this!

Allyson

Must we always teach our children with books?
Let them look at the mountains and the stars up
above. Let them look at the beauty of the waters
and the trees and flowers on the earth.

They will begin to think, and to think is the be-
ginning of a real education.

David Polis

Mother and Daddy,

Thank you so much for teaching me the impor-
tance of knowledge and self-education — a gift I
will use all my life.

I love you,
Kellie

Mama,
Thanks for all the memories and love that you have
given me through these past years. You have helped
me through the good and the bad times. We have
been through a lot in the past. I know it has been
hard raising the three of us by yourself and I will
always remember you especially for that.

I love you,
Myra

Mama and Daddy,

Thank you for allowing me the trust and freedom
to always be myself. I'll never forget the patience
and love you've shown me through the good times
as well as the bad. You are two people I will always
be very proud of.

I love you both!
Sarah

Dear Mom & Dad,

I guess you never thought I'd make it. I suppose I wouldn't have if you hadn't been there. Thanks for everything.

I love you very much,
Becky

Dear Mom & Dad,

Thank you for all your love, guidance, and understanding. Through it, I hope to succeed in making you both proud of me.

I love you,
Sheri

Dear Parents,

Thank you for the guidance and understanding, but mostly for the love. I'm proud of all of you, and I hope you're equally as proud of me.

I love you,
Susie

Dear Mom and Dad,
